

Join the conversation.

TFIC brings together transportation stakeholders and policymakers to develop consensus and guide policy to ensure Illinois' infrastructure remains world class. Our membership represents diverse interests, but we share the understanding that infrastructure is the foundation that supports Illinois' economy. Members from business and labor, upstate and downstate, local government and nonprofit have developed strong relationships that continue to stand the test of time and unite Illinois' diverse transportation interests on key issues.

Our members are all at the table with state and federal policymakers. **Make sure you're there too.**

About TFIC

The Transportation for Illinois Coalition is the recognized authority on and unifying voice for transportation needs in Illinois. TFIC exists to achieve the best transportation systems in order to guarantee economic success.

The Transportation for Illinois Coalition identifies issues and aggressively advocates policy to secure maximum and sustainable federal and state funding for transportation needs in Illinois.

We represent every aspect of the transportation industry from business to labor to consumers. This makes TFIC one of the most effective advocates for Illinois' transportation needs.
